Attn: Charitable Donations

Grad Night parties began in the mid-1980s as statistics confirmed that Graduation Night is potentially the most dangerous night of a high school student's life. In years past, it was common for students to graduate and then go out to party and drink all night. Many deaths have been associated with this activity, a fact which many of us know too well. Parents joined together to provide celebrations that would allow students to be together one last time as a class in an environment that was alcohol and substance free.

The parents of the Class of 2018 are carrying on a Westview tradition to provide our students with just such a fun Grad Night party on Saturday, June 10, after graduation until Sunday morning. There will be games, music, food, prizes, and other festivities all through the night. We are currently asking community members to support Westview Grad Night 2018 with event raffle prize donations for students, gift cards, or donations to go towards scholarships for those who otherwise wouldn't be able to afford to participate.

Neither the high school staff nor the administration sponsors the party – this will be done solely by the Senior parents, operating under the Westview High School PTO, which is a charitable 501 (c)(3) organization (tax ID # 93-1328582.) For tax purposes, donations may be tax deductible; please check with your tax adviser.

Please consider making a contribution to our event. In recognition of your donation we would be happy to list you as a sponsor on our website and as appropriate at the event. Donations may be picked up or mailed to the high school
