

Westview High School Grad Night 2018

Attention: Support Needed from our Local Business Community

Please help us provide a safe celebration for our graduating seniors!

The parents of the Class of 2018 are carrying on a Westview tradition of providing our senior students with a fun Grad Night Party on Thursday June 7, after graduation until Friday morning. There will be games, music, food, prizes, and other festivities all through the night.

We are currently asking for the following:

- Raffle prizes such as gift cards
- Donations or gift cards for providing refreshments for the students to enjoy during the party
- Donations to support our Scholarship Program

Neither the high school staff or the administration sponsors the party – this will be done solely by the Senior parents, operating under the Westview High PTO, which is a charitable 503 (c)(3) organization (**Tax ID #93-1328582**). For tax purposes, donations may be tax deductible; please check with your tax advisor. The Class of 2018 at Westview High School is a larger than normal graduation class of over 600 students. Please consider making a contribution to our event. ***In recognition of your donation we would be happy to list you as a sponsor on our website and as appropriate at the event.***

In years past, it was common for students to graduate and then go out to party and drink all night. Many deaths have been associated with this activity, a fact that many of us know too well. Parents joined together to provide celebrations that would allow students to be together one last time as a class in an environment that was alcohol and substance free.

We would be happy to discuss your donation, recognition and options with you. Questions contact Dana Travers, thetravers@gmail.com or Michelle Jockers, kjockers@comcast.net.

Donations may be picked up or mailed to:
